WORK ACHIEVEMENTS

Production Manager

The Pioneer student news publication | Pierce College Ft. Steilacoom | 2016 - 2018

- Redesigned the bi-weekly newspaper into a monthly magazine
- Created design templates, a stylesheet, and a logo for the updated magazine
- Managed the design team, led meetings, storyboarded page layouts for each issue
- Taught a 2-day InDesign training workshop for new freelance designers
- Created newspaper and magazine layouts, photography, and photo illustrations
- Filmed and edited weekly Hallway Hassle segments that are quick "in the hallway" interviews with students about current issues

Freelance Graphic Designer

Trio Northwest Business Solutions, Inc. | Seattle, WA | 2011 - Present

- Redesigned Renton Technical College's Tool Box Talks – online and on mobile app
- Created an online portfolio on the company website to highlight Trio's best work
- Filmed and edited promotional videos highlighting Trio's primary print facilities

INTERNSHIP

Communications Intern

Greater Metro Parks Foundation | Tacoma, WA | 2012-2014

- Realized the Creative Director's overall vision for re-designing the non-profit's website with new content and imagery
- Recorded minutes and participated in Board of Directors and Communications Committee meetings, produced follow-up documents based on meeting minutes to facilitate project management
- Photographer for the Because Parks Matter 2012 & 2014 Luncheons
- Edited Video Producer's film footage of Because Parks Matter 2012 & 2014 Luncheons and Because Parks Matter interviews, then posted the final product on GMPF's website
